Kingspan Group plc
Acquisition update

25 September 2026

Kingspan Group plc ("Kingspan") announces completion of the acquisition of BMC Manufacturing Group

Further to our announcement dated 11 August 2026, Kingspan Group plc, the global leader in high-performance insulated building envelopes and bespoke critical infrastructure, is pleased to announce that it has today completed the acquisition of BMC Manufacturing Group.

Pursuant to the transaction documents relating to the acquisition, Kingspan has issued 2,484,999 new ordinary shares of €0.13 each in the Company. These shares are subject to a two-year lock-up period.

There are no changes to the terms of the acquisition as originally announced.
